Palm Springs, CA, January 29, 2013 (**PressReleasePoint**) -- Random Haus Palm Springs recently announced that it will officially open on February 7th, 2013. A broker open house is planned for February 6th, 2013 from 4-7 p.m. to allow local real estate professionals a first-look at the newly completed property.

Random Haus Palm Springs will operate as a hotel, but will also offer an opportunity to purchase 1/12 fractional interests of all the condos. More information on fractional ownership can be found on the Random Haus website.

?We are holding this broker open so that Realtors and real estate professionals will be able to come in and see all the highlights of this amazing property before it even opens to the public,? said project manager Lance Robutz. ?Hopefully when they leave, they are excited and informed and prepared to present this opportunity to their buyers and clients.?

The property will boast 12 ultra-luxury condominiums in an amazing location that is just a short walk to downtown Palm Springs. The condos will range from approximately 1100 to over 2100 square feet with two- and three- bedroom, two- and three-bath units available.
